

Preschool Daily Schedule

6:30 AM: Open

7:30 AM: Breakfast served

8:00 AM: Breakfast Ends

8:00 AM: Morning Free-Play

During their morning free play, the kids have access to our book nook and upper lofts which include cars, dinosaurs, and additional space for centers and books. They also can participate in our centers. Centers are individual bins filled with educational toys, games, blocks, etc that promote writing practice, fine motor skills, math, and literacy. The kids are able to choose their own centers to play with for as little or long as they would like. They are asked to clean up their center before choosing another one. This encourages independence and responsibility along with other life skills like time management and how to take care of and respect shared spaces and toys.

8:45 AM: Potty & Diapers (If applicable)

9:00 AM: Circle Time

Circle time has many benefits for development such as social skills, creativity, feeling comfortable in group settings, cognitive development, and so much more. During this time a teacher will lead the class in going over: the date, days of the week in both English and Spanish, months of the year, weather, letters, shapes, numbers, counting by ones, tens, fives, and twos, a song of the week (usually including a dance or movements to go along with it), and anything else the teacher sees fit.

9:20 AM: Snack

10:00 AM: Lessons:

We have the students divided into 2 academically-based groups for their lesson time. Each group will have a daily lesson that includes a worksheet or tactile activity that focuses on math, literacy, handwriting, and/or one of our monthly themes and focus.

10:30 AM: Recess & Centers (Outdoor Weather Permitting)

We try to get the kids outside as much as possible! We have lots of ride-on toys, balls, and other play equipment for the kids to take advantage of. These toys and activities encourage gross motor skills along with allowing the kids to experience their environment and nature. The kids will go outside in groups and get 30 minutes of outdoor play, and 30 minutes of child-lead center play.

11:00 AM: Potty & Diapers (If applicable)

11:30 AM: Rotations

Each day the kids will have a small lesson or activity to focus on one of our rotations. These include cooking, languages, science, sensory, social studies, art, music, PE, theatre and more.

12:00 PM: Lunch

12:30 PM: Potty

1:00 PM: Rest Time

3:00 PM: Wake-up & Potty / Diapers (If applicable)

3:30 PM: Snack

4:00 PM: Secondary Circle Time

We use this secondary circle time to review our songs and dances along with some additional letters and numbers practice.

4:15 PM: Free Play until Child's pick up

5:00 PM: Closed
